Sunday 25th July 2010

### TOURNAMENT DETAILS

1. This is a Fair Play Tournament, organised to provide players with an opportunity to demonstrate their individual and team skills. Coaches and parents are reminded that bad language and poor behavior is unacceptable.
2. All coaches and/or managers are to report to the Clubrooms at 8.30am to collect the draw pack. Each team must submit a list of all players and their birth dates signed by an official/coach of their club. Note all 9<sup>th</sup> Grade players must be born in 2001 or later and all 10<sup>th</sup> grade players must be born in 2000 or later.
3. A tournament briefing will be held at 8.40am at the Clubrooms. Coaches may assign another person to attend to raise/listen to questions/answers so that they can continue with their preparations.
4. A maximum of 16 teams will play, in each age group, with each team being guaranteed at least four games. A second team entry will only be accepted if space is available after allocating an entry from each club that has applied.
5. Each team will consist of a maximum of 10 players. They can have up to a maximum of seven players (6 outfield and 1 goalkeeper) playing at any one time, with rolling substitutions.
6. Clendon United will provide referees for all matches.
7. Clendon United will provide match balls for all games.
8. Time keeping will be the responsibility of Clendon United and will be controlled by a hooter. The hooter will signal the start, half time; second half start, and finish of each game. No other time keeping will be recognised. All games will be 10 minutes each way with a 3 minute break for half time.
9. To help us ensure an even distribution of stronger/weaker teams, please indicate, on your entry registration, your team's estimated strength. Where more than one team is entered please indicate the stronger.
10. Teams will be awarded 3 points for a win and 1 point for a draw. In the event of points being equal at the end of the Round-Robin stage positions will determined by –
  - The team scoring the most goals, and if still equal
  - The team conceding the least goals, and if still equal

- A penalty shoot-out will be held. Any five players from each team will try to score a goal against a nominated goalkeeper. The team scoring the most goals will be declared the winner. If still tied, a sudden death penalty shoot-out will take place.
11. For the finals, in the event of a tie, 5 minutes each way of extra time with sudden-death goals will be played with a 1 minute break for half time. If still no result a penalty shootout will be held using the formula in point 10 above.
  12. Any disputes will be handled at the completion of each game. Team coaches will report to the match day tournament organiser who will give a final ruling.
  13. Each team should bring an alternative strip (or training bibs) in case of a clash of colours.
